

CARDBOARD CITIZENS OF ZOOM TOWN

Welcome to Zoom Town. Right now, it's a lovely spot but the population is zero! Help us find out who lives there by creating a cardboard citizen. We are excited to meet your new friend!

STEPS

- 1 Who do you want your citizen to be? A person? Animal? Superhero?
- 2 Get out your cardboard tube and start experimenting with your materials. Use a pencil if you want to try out different expressions!
- 3 Add details like hair, clothes, and arms by cutting, drawing or attaching whatever you have around the house.
- 4 Play with your pal!
